# Lecture 1b: Assignment 2

GAM320: Major Game Development Project: Pre-Production

# Assignment Overview

- Write a 1500(+/- 10%) word evaluation of your game development to date
  - Reflect on your individual performance
  - Reflect on the group and the game
  - Develop a plan of action for next study block#
- This assignment is assessed under the **Reflect** learning outcome
- Is worth 30% of your grade for the module

# Assignment Breakdown

- **Part A** – Work on your game and record contribution
- **Part B** – Write your evaluation

## Part A – Record Contribution

- Work with your team to develop the game
- As the project progresses, be sure to record your contribution
- Use **reflective practices** to make sense of what has happened
  - Schön's Reflection in Action
  - Gibb's Reflective Cycle

## Part B – Write your Evaluation

- The evaluation will be in 3 parts
  1. Reflection on your contribution
  2. Reflection on game development (project and team)
  3. Plan
- For 1 & 2:
  - Pick 3 – 5 points from your records in **Part A** that you consider the most important
- For 3:
  - Use a framework like **SMART Objectives** to make a plan for SB2 that aligns with the issues identified above

# Marking

- You will be marked on the following:
  - Reflection of your contribution – **20%**
  - Reflection on the game development to date – **20%**
  - Depth of Analysis – **20%**
  - Plan – **40%**

# Assignment Tips

- While the completed tasks on your project are a record of the work, it doesn't highlight issues
- So, get into the habit of taking notes. Have a work diary you update regularly, perhaps once a week
- Use reflective practice to analyse these issues and then feed this into the report
- Formulate your plan as SMART Objectives
